

WARE NEIGHBOURHOOD PLAN PUBLIC CONSULTATION

Can you help? We'd love a few minutes of your time...

You may have heard a little about what we've been up to. A steering group of local volunteers, with some help from the Town Council, has been developing a Neighbourhood Plan for Ware.

Since the autumn of 2019, we have gone through two preliminary public consultation phases and taken on board the suggestions and comments people made. We have now produced a 100-page Draft Plan... and that Plan has just been given a welcome stamp of approval by Ware Town Council.

To take this to the next stage, we now need your help.

We're asking you to tell us what you think about what we've done so far. Does the Plan focus on the right things? Are its priorities right? Does its balance of emphasis make sense?

We've produced a survey package including an overview and bite-sized summaries of the Plan's key sections. We'd be eternally grateful if you could take a few minutes to read these... and give us your feedback.

We're circulating paper copy questionnaires – look out for them, for instance, in Ware Library... and you can access the online survey via the QR code here or by visiting **www.wareneighbourhoodplan.com**

The people of Ware have been hugely supportive so far, not least in the roadshow events we held last autumn – for instance as part of the Eco aWare event held at Ware Priory.

Can we count on more of the same? We very much hope so.
